Alexandria VA, 22313-1450

Sir:

In accordance with the Applicants' duty to disclose information which may be material to the examination of this application, the undersigned respectfully requests that the Examiner consider on the merits the documents listed on the enclosed Form PTO-1449 (modified) before issuing the next Office Action. A copy of each foreign patent document listed on the enclosed Form PTO-1449 (modified) is enclosed.

The documents listed were cited in the Notice of Allowance for Korean Patent Application No. 10-2003-0072539 dated October 10, 2007.

The filing of this Information Disclosure Statement (IDS) shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

Each item of information listed was cited in the Notice of Allowance for Korean Patent Application No. 10-2003-0072539 (dated October 10, 2007) no more than three months prior to the filing of this Information Disclosure Statement (IDS). No item of information contained in this IDS was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the Information Disclosure Statement was known to any individual designated in §

1.56(c) more than three months prior to the filing of this Information Disclosure Statement therefore no fees should be due.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. (Notice of January 9, 1992, 1135 O.G. 13-25, at 25.)

The person making this statement is the practitioner who signs below on the basis of information supplied by an individual associated with the filing and prosecution of this application (37 C.F.R. § 1.56(c)) and on the basis of information in the practitioner's file.

I hereby certify that this correspondence
is being deposited with the United States
Patent and Trademark Office via electronic
filing on November 15, 2007 by Guillermo Gonzales.

Respectfully submitted,
